STUDIO MONITOR

**LSR305**  
5" POWERED  
STUDIO MONITOR

## JBL Introduces 3 Series Powered Studio Monitors

These 5" and 8" bi-amplified models are the first studio monitors with JBL's Patent-Pending **Image Control Waveguide**, for remarkable performance over a wide listening space in any room. The difference is undisputable. With the Image Control Waveguide, 3 Series delivers:

- **Incredible Imaging** – Notice the expansive soundstage and solid phantom center.
- **Increased Detail** – Hear micro-dynamics in reverb decay. Hear mic placement!
- **Broad Sweet Spot** – Hear the same response across a large space in any room.

Developed for JBL's flagship M2 Master Reference Monitor, JBL brings the Image Control Waveguide to the market in this new, most affordable studio monitor line.

### 3 Series Has Serious Performance:
